Please take this opportunity to discuss the project with a DOT or GRTA representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until April 21, 2005. Written comments should be sent to Mr. Harvey D. The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation Office of Urban Design located at #2 Capitol Square, S.W. Atlanta, Georgia 30334-1002.
